Excerpt: .before the Supreme Court, that will test its constitutionality. If the law should be found defective another should be enacted at once in its stead that will stand the tests, and by proper enforcement guarantee and assure purity and germinating of all seed offered and sold to the farmers. The commissioner has enforced the law respecting feedstuffs. A force of six field inspectors has been constantly employed. It is necessary to see that all commercial feedstuffs, much of it containing many different elements, is legally branded showing its contents, and that the feed actually conforms to its formula as contained in the brand thereon, The department maintains a laboratory in which analysis of samples of feeds are made, and through the tests, examinations and supervision by his official force, many thousands of dollars are saved to the consumers throughout the State. In like manner commercial fertilizers are subjected to analysis and tests that determine their purity and value. In all of this important work the department has found employment for its energies, leaving, as it should do, the educational field to be cultivated by the department of the State University, and the Agricultural Department of the United States, upon whom this duty has been very properly devolved. In promoting and directing farmers institutes the administrative capacity of the department has been fully demonstrated. The delegates selected to attend the institutes are now selected in county meetings of farmers and are thoroughly representative of...
