The book contains over 129 writing tips and 100 essay-writing topics that colleges, graduate schools, and professional schools require as a part of their respective applications for admission processes. This is especially true because the writing sections require students to re-write sentences and/or to place sentences in the proper sequence when testing. This is an excellent and affordable college-prep English classroom grammar text book. Most students who have used this book under the guidance of its author have score in 99th to 85th percentile on their ACT and SAT examinations.
