Reviews

Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author published this publication.

OFFICE FABLES FOR TODAYS MANAGERS

Niyogi Books, New Delhi, India. Softcover. Book Condition: New. Office Fables for Todays Manager brings you a collection of inspirational stories that are simple and easy to read. Most of the stories here are short, seldom more than a page long. They depend not so much on transferring large amounts of information to the reader but more on catalysing understanding. They compel you to pause, reflect and carry the message through the day. These are not feel-good eulogies, but a collection of stories that carries the kernel of business intelligence. You will find something in Office Fables that speaks to you, that supports, inspires and energizes you to improve the quality of life at work and, in the process, grow and develop. Printed Pages: 112.
